Description

Our breast firming serum has a rich mix of herbs, herbal and essential oils that stimulate and support the natural production of collagen in the body, adding softness to the skin and help to restore and to maintain the shape of the breast.

Use

Shake well before use. Apply topically every morning and evening on clean skin and massage gently in circular motions. It takes approximately 3-5 months of continuous use for best results. Can be used after pregnancy. Rinse before breastfeeding.
